During the warranty period, subjected to the conditions and limitations set forth below, **RFE Broadcast Srl** will, at its option, either repair or replace any part of its equipment that are proved to be defective by reasons of improper workmanship or materials. In such case **RFE Broadcast Srl** has the right to decide whether making the repair at its premises or on customer's site. In this last case Customer obliges itself to grant access to **RFE Broadcast Srl** authorized technician to the equipment site.

In case of repair at **RFE Broadcast Srl** premises, the Customer will pay for shipping costs of defective part to Italy and back; **RFE Broadcast Srl** will repair the goods at no cost for the customer.

In case of repair on site the Customer will pay for trip and living costs of **RFE Broadcast Srl** technician, whereas the workmanship and parts will be at **RFE Broadcast Srl** charge.

If agreed between **RFE Broadcast Srl** and Customer, reparation of identified failures can also be done shipping new parts to Customer with site replacement made by Customer's technical staff. In this case all parts defective need to be shipped back to **RFE Broadcast Srl** after replacement following instructions from RFE Broadcast Srl shipment dept.

In no event will **RFE Broadcast Srl** liability exceed the amount paid by the customer for the product subject to warranty.

This warranty does not cover any damage to products that results from accident, abuse, misuse, natural or personal disaster, or any unauthorized disassembly, repair, or modification. **RFE Broadcast Srl** will not refund any other request of damage out of details given by above warranty terms.

NOTE: For transistors replacement, in order to evaluate if the warranty is applicable or not, the equipment must be returned to the factory to investigate the reasons of the breakage.
